Hasil uji coba

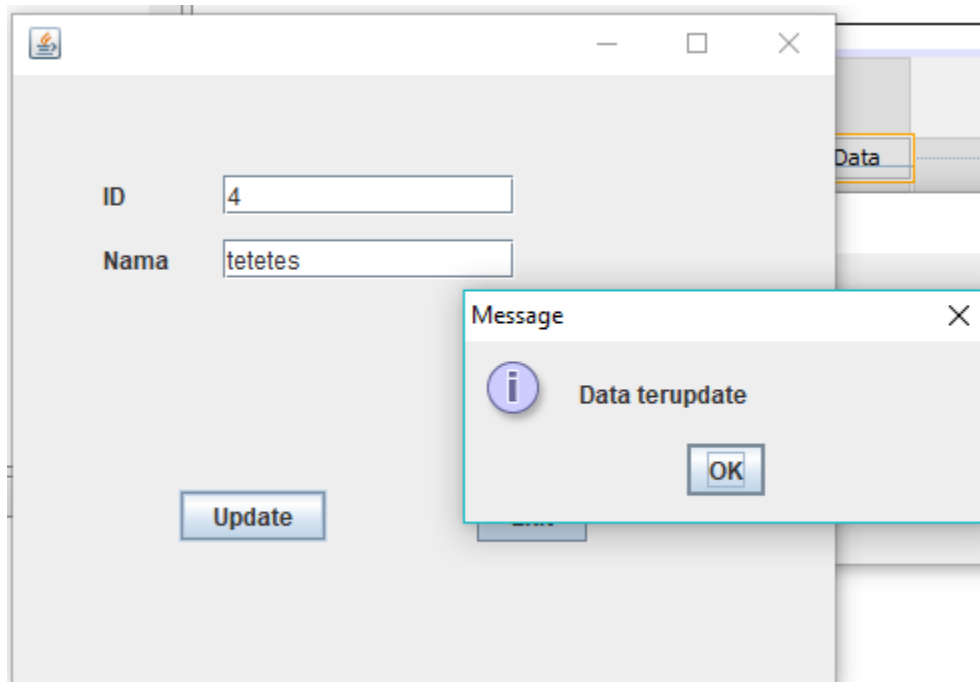

A Java Swing window with a title bar containing a small icon and standard window controls (minimize, maximize, close). The window contains a table with two columns: "ID" and "Nama". The table has four rows of data. Below the table is a large empty rectangular area. At the bottom center of the window is a button labeled "Exit".

ID	Nama
1	Prabowo Gosal
2	gogo
3	Bowo
4	tes

Exit

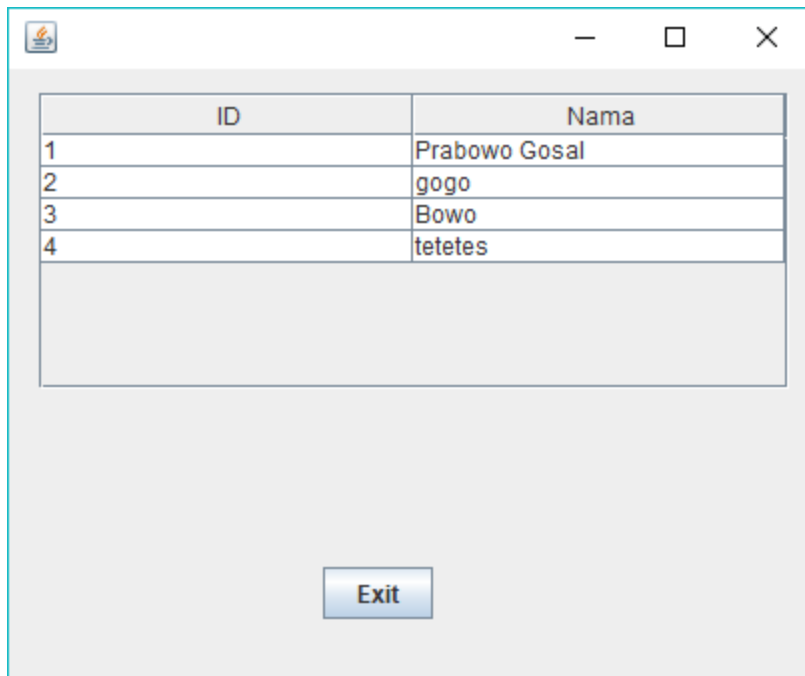

A Java Swing window with a title bar containing a small icon and standard window controls. The window contains two input fields: "ID" with the value "4" and "Nama" with the value "tetetes". Below the input fields is a button labeled "Update". A "Message" dialog box is overlaid on the window, displaying an information icon, the text "Data terupdate", and an "OK" button.

ID: 4
